PROFILE

B.Sc. Artificial Intelligence & Machine Learning graduate with a strong foundation in Python, SQL, and web technologies (HTML, CSS). Passionate about building AI-driven solutions to real-world problems through machine learning, computer vision, and NLP. Quick learner, responsible team player, and eager to contribute to AI/ML or software development roles while continuously enhancing technical skills.

SKILLS

Programming Language: Python

Web Technology: HTML, CSS

Database: SQL

Tools and Technologies Github, Vscode, Robotic Process Automation

Software Development Concepts: SDLC models

Soft Skills: Communication Skills, Time mangement

PROJECTS

AI-Powered Resume Screening System

- Built an NLP-powered web application using **Python, Flask, Scikit-learn, and spaCy** for automated resume screening.
- Implemented **TF-IDF, Cosine Similarity**, and skill extraction to generate ATS scores and personalized improvement suggestions.
- Developed recruiter dashboard with candidate ranking, authentication, batch screening, and CSV export.

Face Recognition-Based Exam Verification System

- Developed a real-time biometric verification system using **Python, OpenCV, Streamlit, YuNet, and SFace** for candidate authentication.
- Implemented face detection, alignment, 128-dimensional face embeddings, and cosine similarity-based identity matching.
- Built secure registration and verification workflows

INTERNSHIP AND WORKSHOPS

Pentagon Space

Bangalore

Python Full stack Trainee

- Completed training in Core Python, SQL, HTML, and CSS.
- Strengthened SQL skills through hands-on query practice.
- Gained knowledge of Software Development Life Cycle (SDLC) concepts.

Nitroware Technologies

Coimbatore

- Cloud Computing Workshop
- Internet of Things Workshop

EDUCATION

BSc. Artificial Intelligence and Machine Learning, Hindusthan College of Arts and Science 2023 — 2026
(GPA: 8.5) Coimbatore

St.Joseph's Matriculation Higher Secondary School (GPA: 92%) 2023
Coimbatore

CERTIFICATIONS

Cyber Security, MSME Technology Development Centre 2024

Certificate of presentation, IFERP Academy 2024
